

JOHN MEYER

I am currently a board member and am soliciting your vote for my re-election to the board. My wife and I became full time owner residents of Eagle Roost in 1985. I was one of the volunteer owners who did the original preparation/chip sealing of all the roads/taxiways in Eagle Roost, the paving being done during the summer months. I was an active pilot until my health precluded continued flying; I fully understand what is necessary in terms of operation/maintenance for Eagle Roost to remain a desirable airpark for the flying community and our owners.
