

Shirl Dickey

I am a 22 year full time resident and a previous member and past President of the Eagle Roost Board of Directors. As such, I have always been the voice and fierce defender of the best interests of ALL Eagle Roost property owners .

This is an important election where experience and stability are needed, and I would urge the membership to support candidates with substantial Eagle Roost residency and demonstrated good judgement. Eagle Roost Board membership is a year around job where the most qualified candidates tend to be long time residents who understand the needs of the community.

Your vote will allow me to continue as the voice of the people of Eagle Roost.
