

Trick?
Treat?

Covid 19 says...

Trick!!

Hallows Eve is Growing Near
But a Different Life is Upon Us This Year.

Corona Virus Fear has taken hold
And We Must Do as We are Told.

To Hold the Evil Virus at Bay,
No Party Will Be Held in any Coming Day.

But Wait! Some Day a Vaccine will Clear the Air
And for a Giant Celebration Thyself Must Prepare.

The Time and Day We Know Not Yet,
But a Party WILL be Held, Ya Sure! You Bet!!
